3 people have recommended Ryan

"Ryan was a very nice person to work with. He was always ready to support who worked with him by going the extra miles."

— **Leslie Liang**, *GM's Assistant, eBay CDC*, worked with Ryan at eBay China Development Center

"During my work with Rayn, I found that he is one of the best QA managers I ever met. He has very deep insight on technology about large eCommerce site and corresponding testing knowledge and methodology. At the same time he is an experience manager with strong muscles to guarantee delivery timeline, quality, and people development. Rayn also has inspiring team-work spirit and colleagues from other departments such as product development and management are always glad to work with him."

— **Hong Hu**, *Product Development Manager, Search PD, eBay*, worked with Ryan at eBay China Development Center

"Ryan is a very responsible manager with strong technical background"

— **Guoliang Zu**, *HR Manager, eBay China Development Center*, worked with Ryan at eBay China Development Center
